

SELF TAPE (2 PARTS)

PART 1 - INTRO

PRESENTER

Hey you're watching Secret London, I'm
(insert name) and you know what, the
leaves are changing and the smell of
pumpkin spice is in the air. That's
right, it's my favorite time of the
year, Autumnal flavoured coffee
season!

(looks perplexed and looks off
camera as if talking to a
producer)

That's a mouthful, we don't have a
better name for it then that?

(as if reacting to head shake)

Really? Okay.

(back to camera)

We're talking gingerbread, pumpkin
spice, egg nog, that point where every
branded coffee establishment goes to
war over who can celebrate the holiday
season better, with tasty novelty
drinks. And the thing about war is
there's got to be a winner. So I'm
going to try them all and decide who's
top dog in this battle of...

(looks awkward)

...Autumnal flavored...

(looks off camera)

Can we just call them Christmas
drinks?

PART 2 - STORY

Give us a sense of your personality. Tell a story to camera
about a funny thing that happened to you while living in
London.
